Unimarine Saudi Arabia set up

We are pleased to announce that a new set up has taken place in Saudi Arabia as of the 1st December 2021; this provides our clients with more reasonable product prices, transport charges and quality products and services.

The ports covered are the following: Jeddah Islamic Port, King Abdul Aziz Port (Dammam), Duba Bulk Plant Tanker Terminal, Ju Aymah LPG Terminal, Ju'aymah Crude, LPG Terminals, Jubail Commercial Port, King Fahad Industrial Port (Jubail), King Fahad Industrial Port (Yanbu), Port of Jizan, Port of Al Qadimah, Port of Dhiba (Duba), Port of Qadimah, Port of Rabigh, Port of Ras Al Khafji, Port of Ras Tanura, Port of Ras al Ghar, Port of Ras al Mishab, Port of Sharmah, Port of Zuluf, Yanbu Commercial Port.

Main ports remain the Jeddah Islamic Port, King Abdul Aziz Port (Dammam).

2-4 days notice are sufficient for the logistics within Saudi Arabia and extra actual customs charges are varied according to local rules and regulations.

Gases, Welding Equipment and Refrigerants are also available on an exchange basis and can be combined with chemical deliveries.

We thank you for your attention to our company and we appreciate your business; we strive to continue our growth and improve our services at all times.
