

Manometer-Gauge Guard for OX & AC Regulator

Item No.: 361361225

Product information

Gauge guard protects gauges on gas regulators. Spare washes, hose connection for 1/4" and 3/8", gas hoses are included in all regulators as well as the instructions for use. Our regulators provide a stable and correct working pressure with sufficient capacity for all types of gas welding and cutting work.

Features

- Snap on fastener
- Sturdy one-piece item

Benefits

- Easy install on regulator
- Prevent costly damage to regulators gauges

Specification

General:	Invent Hazard Material (IMO/EU) classification	NA
-----------------	--	----

Technical data:	Burst pressure [bar]	60 minimum
	Operating pressure [bar]	20 maximum
	Test pressure [bar]	40
